Hello Everyone,

Looking forward to our meeting today at the South Park BID Office. Thank you, Jessica for hosting.

I just wanted to send over a draft agenda to help steer our conversation today. The goal is to go over concerns that have been brought up to our office (see attachment) and find common ground on points that we all agree on. The agenda is not set and is meant to be inclusive. Lets please add to it if there are points that anyone feels should be points of discussion, but being mindful of the time that we have.

Jessica, the attachment did not include your suggestions for hours of operation (sorry, I'm away from the office at the moment) but we will make sure we bring these up.

AGENDA

- 1. Update from CD14 on CLA Report & Hearing**
- 2. Update from CD14 on Meetings Since Our Last Meetings**
- 3. Go over proposed agenda and add topics of discussion, if necessary.**
- 4. Points of Concern**
 - a. South Park BID Concerns**
 - b. Coalition Response (or vice versa. *Whatever the group agrees on*).**
- 5. Any other points group agreed should be discussed.**
- 6. Summary of Discussion**

Just want to reiterate that the agenda is just a suggestion / draft agenda. We should finalize the points of discussion at the start of our meeting.

Thank you, everyone.
